

Healthy Communities Vision Lanark, Leeds and Grenville

*Healthy people in Lanark, Leeds & Grenville
live, learn, work and play in healthy communities*

All community members have the opportunity to make the choices that enable them to live a healthy life, regardless of income, education, or ability.

Healthy community environments promote well being and quality of life and contribute to integrated community sustainability (cultural vitality, economic health, environmental responsibility and social equity).

Physical Activity

All community members have the necessary knowledge, interest, resources and opportunities to be physically active, including being active outdoors in nature.

Healthy Eating

All community members have food knowledge and skills, and access to local, safe, healthy, affordable and culturally appropriate food.

Mental Well Being and Resiliency

All community members are engaged and connected and have access to resources, and are able to cope with life's challenges within a safe, supportive community.

Substance/Alcohol Misuse Prevention

All community members have a responsible attitude towards alcohol and other drugs, and the community supports skills and knowledge for healthy decision making and risk reduction.

Tobacco Use/Exposure Prevention

All community members have knowledge about tobacco use, skills for risk reduction and have less exposure to tobacco smoke in public and recreation settings.

Injury Prevention

All community members have the knowledge and skills to prevent injuries, and a healthy environment in which to live, learn, work and play.

We endorse the Healthy Communities Vision.
